

Quality Policy

Issued: 09/28/12
(Page 1 of 1)

- We are dedicated to high quality products and processes that **exceed our partners' expectations.**
- Every member of the Vanner Team is accountable for both **process quality and product quality.**
- We define Quality as robust designs that are **rugged, reliable and safe.**
- We are committed to **continuous improvement** in all aspects of our **business, products and services.**
- Our progress is benchmarked through the use of **statistical measurement tools.**
